ANN JAWIN'S LEGACY LIVES ON

The Center for the Women of New York helps women overcome financial, health, violence, social, and legal issues by advocating for full gender equality, understanding their needs, and connecting them with CWNY services, nonprofit partner organizations, and public resources to aid, uplift, and address their challenges.

We are a nonprofit 501(c)(3) organization dedicated to women's empowerment and gender equality since 1987. CWNY's Volunteers, Members, Sponsors, Advisory Board, and Board of Directors altogether make CWNY's mission possible.
